RETIREMENT

§3.750 Retirement pay.

(a) *General.* Except as provided in paragraphs (c) and (d) of this section and §3.751, any person entitled to receive retirement pay based on service as a member of the Armed Forces or as a commissioned officer of the Public Health Service, the Coast and Geodetic Survey, the Environmental Science Services Administration; or the National Oceanic and Atmospheric Administration may not receive such pay concurrently with benefits payable under laws administered by the Department of Veterans Affairs. The term "retirement pay" includes retired pay and retainer pay.

(b) *Election.* A veteran entitled to retirement pay or compensation may elect which of the benefits he or she desires to receive. An election of retirement pay does not bar him or her from making a subsequent election of the other benefit to which he or she is entitled. An election filed within 1 year from the date of notification of Department of Veterans Affairs entitlement

will be considered as "timely filed" for the purpose of §3.401(e)(1). If the veteran is incompetent the 1-year period will begin on the date notification is sent to the next friend or fiduciary. In initial determinations, elections may be applied retroactively if the claimant was not advised of his or her right of election and the effect thereof.

(c) *Waiver.* A person specified in paragraph (a) of this section may receive compensation upon filing with the service department concerned a waiver of so much of his (or her) retirement pay as is equal in amount to the compensation to which he (or she) is entitled. In the absence of a specific statement to the contrary, the filing of an application for compensation by a veteran entitled to retirement pay constitutes such a waiver.

(Authority: 38 U.S.C. 5305)

(d) *Pension*—(1) *Improved pension.* A person specified in paragraph (a) of this section may receive improved pension and retirement pay concurrently without having to waive any portion of the person's retirement pay. In determining entitlement to improved pension, retirement pay shall be treated in the same manner as countable income from other sources.

(2) *Old-law and section 306 pension.* A person specified in paragraph (a) of this section may not receive old-law or section 306 pension and retirement pay concurrently without waiver of retirement pay as provided in paragraph (c) of this section concerning compensation.
